Nurture the Genius Within

Course: Spoken and Written English	Course Type: Power Course	Course Coordinator: Er Bhawesh Tiwari
Level: 1/3	Course Duration: 35 days	Student Name:

Introduction

A language is a mode of communication. There are 6500 spoken languages in the world today. Every person knows one or two languages. But to go out there and interact with the world, you need a common language for communication. English Language has taken that position in these times. Out of 7.5 billion people on the planet Earth, 1.5 billion speak English. This itself tells the importance of English language. So, it has become indispensable for people specially students to have good command on the language. Tesla Learning Institute launches a course in English language "Spoken and Written English Course for Students" tailored to cater to needs of students. Course fee: ₹2000 (Special Offer ₹1000)
